

# Wesley Teubl

Software Developer

## About me

Motivated, hardworking, and cheerful are words that describe me perfectly. As a student, I am a good team player on projects, but I also work well alone. I am very eager to learn and would like to see how things work in practice.

## Education

### Software Developer

ROC Horizoncollege, Hoorn | 2022 - today

- Quickly picking up new working methods and applying them to future projects.

### HAVO - Natuur en Techniek

Martinuscollege, Grootebroek | 2017 - 2022

- Working together in teams on larger studies and analyzing the results.

## Workexperience

### Web Developer

Karel Bolbloemen B.V. | 2022 - today

- In addition to school, I work at Karel Bolbloemen. Over there I design, create and maintain the website. I am responsible for keeping the website up-to-date and providing it with media.
- At Karel Bolbloemen I learned to communicate clearly with colleagues and third parties in order to ensure a good workflow.

## Skills

- HTML  80%
- CSS  60%
- PHP  70%
- Javascript  25%
- Bootstrap  45%
